

January 2025

Dear Patient,

You may have received letters or emails about Mount Sinai Health System's discussions with Cigna about renewing our contract, which now expires on Sunday, March 2.

We want to assure you that **Mount Sinai's Florida practices will remain in network for Cigna commercial plans** even if our New York facilities are out of network beginning Monday, March 3.

We apologize for the inconvenience any previous communications may have caused. **You do not need to do anything to continue receiving care at Mount Sinai's Florida practices.**

Thank you for your continued trust in Mount Sinai.
